

TO APPLICANTS WHO HOLD FOREIGN UNDERGRADUATE (BS) DEGREES APPLYING FOR THE ENGINEERING AND LAND SURVEYING EXAMS

Applying for the EIT Registration:

If you hold a foreign undergraduate engineering degree and a US Masters Degree in engineering, you may apply under Class 9 without an evaluation.

If you only hold a foreign undergraduate degree (BS) in engineering and no US Masters degree, you must have your degree evaluated by NCEES before the Board will review your application under Class 10.

Applying for the PE Exam

All foreign undergraduate engineering degrees with and without US Masters Degrees must be evaluated by NCEES before the Board will review your application.
